TO: EACH SUPERVISOR

FROM: P. MICHAEL FREEMAN

**UPDATE ON LEONA FIRE**

As of this morning, the containment of the Leona Fire was 78% with approximately 5,100 acres burned.

Demobilization is underway. Units and personnel are being released as appropriate.

We plan to turn the park used as the base back to the City of Palmdale tomorrow so that soccer season can open as planned.

This will be the final update on this incident.
